# Policy Reforms for Rural Development in Brazil

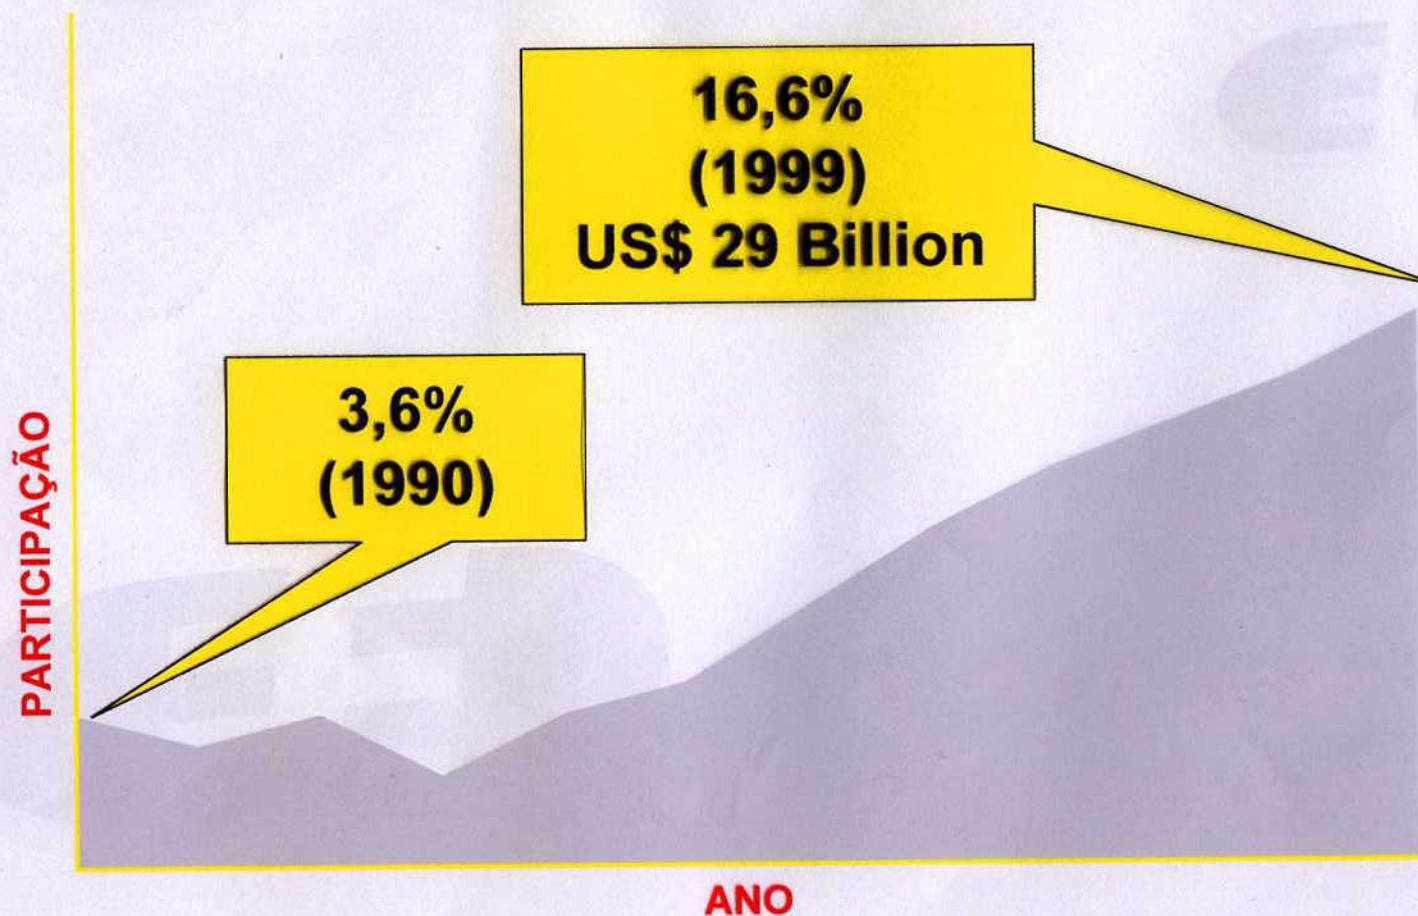

*Afonso Henriques Moreira Santos*  
*Director - ANEEL*

**VILLAGE POWER 2000**  
**EMPOWERING PEOPLE AND TRANSFORMING MARKETS**  
**December 4-8, 2000.**

# **Aneel's regulation for renewables**

- **simplified rules for license of SHP's, cogeneration and other renewables**
- **incentives for SHP's**
- **normative values for generation prices passthrough to final consumers**
- **extension of the “isolated systems fossil fuel consumption account - CCC” for renewables**

## ***Brazil Participation in a World Foreinger Investments***

# **Aneel's regulation for renewables: future developments based in the Project of Law**

- **extension of the incentives accorded to SHP's to other renewables and cogeneration**
- **renewables account (grid connected facilities)**
- **renewables tradeable quotas**
- **decentralised rural electrification**

# NORMATIVE VALUES

Aneel's Resolution nº 233 , July ,1999

**Establishes the normative values that limits the generation purchase prices passthrough to the final consumers, by the distribution utilities.**

Julho/99

Fonte	Valor Normativo	
	R\$/MWh	US\$/MWh
Competitiva	57,20	32,40
Termelétrica a Carvão Nacional	61,80	35,01
Pequena Central Hidrelétrica	71,30	40,39
